

**Can-Am Days Game 2025 – BRP BY ADVENTURE
FULL REGULATIONS**

– DRAW NO. 51707 –
FROM 11 APRIL 2025 TO 27 APRIL 2025

Article 1: Game-organising company

The company BRP France, with a capital of €100,000, with headquarters at Route de la Côte d’Azur, 13 590 MEYREUIL, France, registered under the French Trade and Companies Register (RCS) No. [Aix-en-Provence B 482 596 533](#) (hereinafter referred to as the “Organising Company”) is organising a Game without purchase obligation from 11/04/2025 to 27/04/2025 [11:59 PM] (inclusive).

Article 2: Participants and eligibility

This Game without purchase obligation is exclusively open to adults residing in mainland France (including Corsica and Monaco), Germany, Austria, the Netherlands, Belgium, Luxembourg, Italy, Spain, and the United Kingdom.

Persons who do not meet the above conditions are excluded from the Game, as well as employees of the Organising Company, and anyone who has directly or indirectly participated in the design, implementation, or management of the Game, as well as their spouses and family members: this includes direct ascendants and descendants or other relatives whether or not they live under the same roof.

The Game is limited to one entry and one prize per person (same first name, same surname, same postal address, same email address) or per company name (same surname/company name, same address, same email) for the entire duration of the Game.

The Organising Company reserves the right to ask any participant to prove their compliance with the above conditions. Any person who does not meet these conditions or refuses to prove their compliance with them will be excluded from the Game and, should they win, will not be able to claim a prize.

Participation in the Game implies full acceptance of these rules.

Article 3: Entry methods

STEP 1: Visit a dealership near you between 11/04/2025 and 27/04/2025 and **scan** the QR code available at the dealership.

STEP 2: REGISTER online no later than 27/04/2025 (11:59 PM)

- Enter your personal details (first name, surname, postal address, email, phone number)
- Select your place of purchase
- VERIFY your registration and immediately **find out** whether you won a prize

Any prize that is won is to be collected immediately at the dealership.

Once you have entered, you will be automatically entered into the draw that will take place on 21/05/2025 to try to win 1 (one) of the 4 (four) BRP vehicles up for grabs.

Any entry that violates the provisions of these rules will render the entry invalid. Any participant suspected of fraud may be excluded from the Game by the Organising Company without the Organising Company having to justify itself. Any incomplete, incorrect, or illegible identification or entry, whether deliberate or not, or provided in any form other than that stipulated in these rules, will be considered void.

Article 4: Description of draws and prizes available

4.1: Instant draw

The following are available:

- **1070 Caps with a unit value of €29 / £26 / 312 kr incl. VAT**
- **30 Toolkits with a unit value of €291 / £271 / 312 kr incl. VAT**
- **100 Neck Tubes with a unit value of €19 / £17 / 215 kr incl. VAT**

Any prize that is won is to be collected immediately at the dealership.

Winners will be selected by an open instant-win system that is spread throughout the duration of the Draw. Each instant win corresponds to one prize.

If the entry corresponds to one of the instant wins, the participant then wins the prize available for that instant win. Instant wins are programmed by computer before the start of the Game and are spread throughout the period of the Game.

The instant wins are said to be “open”, which means that if no participant plays during one of the instant wins, the corresponding prize will be awarded to the first participant after that instant win.

The list of 1,204 (one thousand two hundred and four) instant wins selected randomly by computer before the start of the Game is filed with SELARL AIX-JUR’ISTRES by SAS AIX-JUR’ISTRES, Résidence du Soleil, 395 Route des Milles, 13090 Aix-en-Provence, France. The clock of the computer hosting the Game will be used to reference the time.

4.2: Prize draw

The following are available:

- **4 (four) BRP Can-Am Mini Renegade vehicles, with a maximum unit value of €4,900 / £5,300 / 50,800 kr incl. VAT.**

The vehicle registration card and start-up costs are included in the prize. However, the rest of the vehicle’s operating costs (fuel, insurance, maintenance, etc.) are the responsibility of the winner. On the day the Vehicle is given to the winner, they must present a valid insurance certificate proving subscription to vehicular insurance for the Vehicle won.

BRP will deliver the vehicle to the dealership at which the winner participated in the draw. The prize delivery period depends on the stock available at BRP. The winner cannot hold BRP responsible for any delay in delivery.

The prize awarded cannot be disputed by the winner in any way.

The prize awarded is non-transferable and cannot be subject to a cash refund, exchange, or any receipt of their total or partial equivalent, in kind or in cash, by the Organising Company. It is understood, however, that the Organising Company reserves the right to substitute, at any time, the proposed prize with another prize of at least equivalent value if circumstances outside its control make such action necessary. The prize is nominative, non-marketable, and cannot be assigned or transferred to one or more third parties. Prizes that cannot be awarded for reasons beyond the control of the Organising Company will be lost to their beneficiaries and will not be awarded again.

In the event of refusal by the winner, the victory would be null and the prize cancelled.

Article 5: Awarding of prizes

5.1: For instant wins

Any prize that is won is to be collected immediately at the dealership.

5.2: For the draw

A draw between all the Participants will be conducted at the end of the draw period and no later than 21 May 2025, under the supervision of a commissioner of justice.

Only 4 (four) winners will be selected for the duration of the draw, and only 1 (one) winner can be selected from each country group:

Group 1 (France/Benelux)

Group 2 (Germany/Austria)

Group 3 (UK/Spain/Italy)

Group 4 (Norway)

No correspondence will be made with participants who have not won. Prizes that cannot be awarded for reasons beyond the control of the company will be lost and will not be awarded again.

The winner will receive a message via email from BRP informing them that they have won no later than 7 days after the draw, sent to the email address provided during registration, to schedule a phone call to arrange the delivery of the vehicle. If the winner does not respond within 15 (fifteen) days from the date on which the email informing them of their win is sent, the winner will be deemed to have forfeited their prize. A new draw will be conducted under the supervision of a commissioner of justice, and the prize will be awarded to a new winner.

Article 6: Use of participants' personal data

The personal data collected as part of the draw is subject to computer processing by BRP, the data controller, to manage the reimbursement of its commercial offers for its products and services (based on the performance of a contract). The data collected is essential for this processing and is intended for BRP's marketing services. The data is kept for a period of 6 (six) months from the end of the draw.

The data collected is transmitted to a service provider located in France, the company Qwamplify Activation – 135 Avenue Victoire, 13790 ROUSSET, France – French Trade and Companies Register (RCS) No. 832 225 122, for managing the organisation of the Game.

It is transferred to a service provider outside the European Economic Area. Its transfer is governed by standard contractual clauses as adopted by the European Commission to ensure a sufficient level of protection.

In accordance with the French Law No. 78-17 of 6 January 1978 on data processing, files and freedoms and the General Data Protection Regulation, you have the right to access, query, amend and delete information concerning you, the right to object to marketing or for legitimate reasons, the right to limit processing and portability, as well as the right to define directives regarding the fate of your personal data after your death by sending a letter to the following email address: privacyofficer@brp.com.

In the event of a dispute regarding the processing of your data, you also have the right to lodge a complaint with the CNIL: <https://www.cnil.fr/fr/contacter-la-cnil-standard-et-permanences-telephoniques>

Article 7: Game rules

The Game rules are filed with SAS AIX-JUR'ISTRES, associated judicial officers holding a notarial office domiciled at Résidence du Soleil, 395 Route des Milles, 13090 Aix-en-Provence, France.

The rules will be available to view for free at canam-days-promo.com.

The Organising Company reserves the right to extend, shorten, modify or cancel the Game at any time, particularly in cases of force majeure, without participants being able to claim any compensation. Any rules modified by amendment(s) will be filed, if necessary, with SAS AIX-JUR'ISTRES.

Article 8: Industrial and intellectual property

The reproduction, representation, or exploitation of all or part of the elements of the Game and these rules is strictly prohibited.

All trademarks, logos, texts, images, videos, and other distinctive signs reproduced on the Game site and on the sites to which it provides access via hypertext links are the exclusive property of their holders and are protected as such by the provisions of the French Intellectual Property Code and worldwide. Unauthorised reproduction constitutes infringement liable to criminal prosecution.

Article 9: Liability

The Organising Company shall not be held liable in cases of force majeure or unforeseeable circumstances.

The Organising Company shall not be held responsible for delays, losses, theft, damage to deliveries, or illegibility of postmarks due to postal services. It shall not be held responsible and no recourse may be taken against it in the case of events characteristic of force majeure (such as strikes, bad weather) which partially or totally deprive participants of the opportunity to participate in the Game and/or the winner of receiving their prizes.

The Organising Company and its service providers and partners cannot be held responsible for any incidents that may occur in the use of the prize by the beneficiary once the winner has taken possession of it.

Similarly, the Organising Company and its service providers and partners cannot be held responsible for the loss or theft of prizes from the beneficiary once the winner has taken possession of them. Any additional costs required to take possession of the prizes are the sole responsibility of the winner, without them being entitled to claim any compensation from the Organising Company, its service providers, or its partners.

Article 10: Litigation and claims

These rules are governed by French law.

Any claim must be addressed to the Organising Company within 1 (one) month following the end date of the Game. No claims will be accepted after this date.
